LEASE-END

Inspection Guide

As your Honda or Acura automobile lease comes to an end, there are steps you can take to make the process easier. We're here to help every step of the way.

Lease-End Timeline

First, know what to expect in the final months of your lease.

Schedule Your Free Vehicle Inspection

We recommend obtaining a pre-termination inspection before returning your Honda or Acura if it exceeded your contracted mileage or incurred more than normal wear and use. Schedule one for free with the licensed inspection company by calling (800) 340-4080 or use the Schedule Inspection Online link at my.americanhondafinance.com.

Make an Appointment to Return Your Vehicle

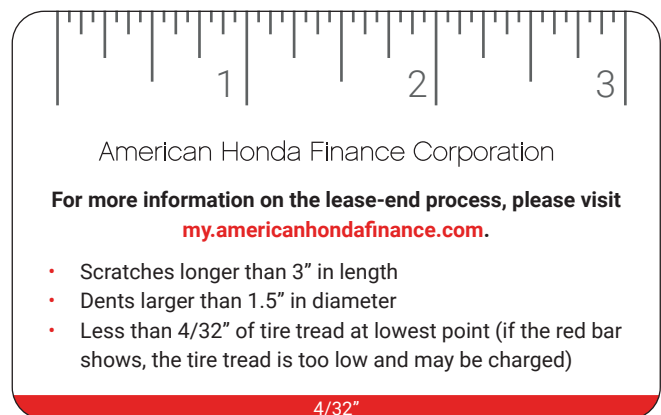

Schedule an appointment with your Honda or Acura dealer to return your vehicle. If you've decided to purchase or lease again, your dealer will help you transition to a new Honda or Acura automobile.

For more information on the lease-end process, contact our Lease Maturity Center, Monday - Friday, 9 a.m. - 5 p.m., local time.

Self-Inspection Test

To identify possible chargeable damage on your vehicle, use a standard credit card or ruler to measure the size of any dents, dings and/or scratches. Remember, a free inspection by the licensed inspection company is the best way to assess your vehicle's damage.

*Depending on your printer, this diagram may not be to scale. Please use a standard credit card or ruler to measure any possible chargeable damage on your vehicle.

Vehicle Return Checklist

To make your inspection process go smoothly, here are some things to take care of:

- Clean your vehicle inside and out
- Remove any personal belongings
- Put back original headrests and jump seat*

Please bring the following items with you when returning your vehicle to your Honda or Acura dealer:

- All keys to the vehicle
- Owner's Manual
- Receipts for completed repairs
- Vehicle Return Receipt
- Vehicle Inspection Report*
- Original headrests and jump seat*

*If applicable
